Your help in stocking our shelves is greatly appreciated!

Our hope is to have food in our pantry and freezer that is versatile to our community. We sometimes have folks staying in a local hotel, so they need pull top cans, small portions, things that are easily heated/prepared in the microwave. Other folks are older and alone, so only need a regular size portion of say peanut butter or jelly. Some folks are trying to make ends meet for a larger family, so boxed pasta, canned goods, etc.. will work well.

Monetary donations are always accepted. Please make checks out to: Fort Plain Reformed Church and in the memo line write Loaves and Fishes or FOOD PANTRY.

We can always use help on Wednesday's from 9am-5pm

THANK YOU for your ongoing support of this ministry to help end food insecurity in our community.
